  - Public Defender (Ruth Angela Szanto) Work With Corrupt Judges (Napper, Bluff, Kottke, Lundy) Who Work With Corrupt Doctors (Collins, Stewart, Sullivan) At Yavapai Jail, Destroying Cases That Never Make It To Trial, Because Defendants Are Deemed Incompetent, Because Of The Drugging (Haldol - Major Tranquilizer) In RTC Program. Innocent Peoples Lives Destroyed (Never Going To Trial) While Employed Makes Money On Them. Also, The Civil Cases That Can Be Sought Run Out Of Time, Statutes Of Limitations, Various Deadlines To Any Potential Claims Are Jeopardized, Violating 6<sup>th</sup>, 8<sup>th</sup>, 14<sup>th</sup> Amendment Rights. I Am Innocent, I Went To Bank To Report Banker And To Close Accounts. I Served In Navy, And I Cannot Believe The Country's Justice System Is Like This. How Many Innocent Victims Lost In This System? While Others Make Money On Them. I Am Seeking "Pardon" (Rescue), And "Permission To Come Aboard." S.O.S.HELP.. The Federal Government Needs To Step In Yavapai County, And Take Over.
